

## Changes to the Shaw's Receipt Program

Thank you for participating in the Shaw's Receipt Program. Please be advised that Shaw's has made significant changes to the program, and after February 28<sup>th</sup>, register receipts no longer will be collected. The new program is electronically based, through the use of the Shaw's Rewards Card.

To participate in this new program, do the following:

- **Log on to [www.shaws.com/neighborhoodrewards](http://www.shaws.com/neighborhoodrewards)**
- **Register your Rewards Card number**
- **Enter your telephone number**
- **Enter The Friends' ID number, which is 49001018626**

If there is a problem in registering, call 1-877-932-7948 for assistance. Follow prompts, including 'more choices', and choose the 'shopper card' prompt. That will connect you directly with a person who can help.

**Once registered, all you need to do is use your Rewards Card each time you shop at Shaw's or Star Market and the library will continue to benefit!**

Remember, after February 28<sup>th</sup>, no receipts will be collected in the box at the library, as they cannot be used in the new program.

We would greatly appreciate your continued support of this program, as all funds raised go directly back to the library in support of its materials, programs and other library enhancements.

Thank you,

The Friends of Thayer Public Library
